Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Thursday 25 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy but largely dry tonight. Some heavy rain on Friday.

This Evening and Tonight:
A fine and dry evening with some lengthy clear spells. It'll become breezy and somewhat cloudier later in the night, with a scattering of showers although many are expected to remain dry. Minimum temperature 7 deg C (45 deg F).

Friday:
Windy and increasingly cloudy through the morning, followed by some brief but heavy rain around noon. Skies brightening up mid-afternoon with scattered showers, perhaps wintry over the Peak District. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Chilly, bright and breezy on Saturday with showers fading. Windy and milder on Sunday and Monday, with gales on Derbyshire hills and rain at times. Largely dry in eastern parts.
